Why am I getting this statement?

In accordance with federal guidelines your escrow account is reviewed at least one time per year; however, certain circumstances may require an additional review. This statement is a result of that review known as an escrow analysis statement, which determines if sufficient funds are available to pay your taxes and/or insurance. This statement is a projection of your escrow account and may also include a history of the escrow activity on your loan since the time you last received an escrow analysis statement. The enclosed update follows notice of the account's involvement in a bankruptcy petition, filed on November 15, 2019 under chapter 13 of the Bankruptcy Code. This statement should be reviewed carefully. The mortgage payment may be affected. Please contact us at the number above if this account is not part of a Chapter 13 proceeding or plan. If this account has filed for any other Bankruptcy protection or received an Order of Discharge in a Chapter 7 bankruptcy case, or received any other discharge under the U.S. Bankruptcy Code that applied to the referenced property, please be advised that this Notice is for information purposes only and not intended as an attempt to collect a debt against you personally.

What does this mean to me?

Because your escrow account is projected to have less money than is needed, there is a shortage of **\$997.93**.

Option 1) Do Nothing: The monthly shortage for the next 12 months is **\$83.16** and will automatically be added to your monthly payment beginning **February 2021**. Your new monthly payment for **February 2021** will be **\$1,028.27**.

Option 2) Pay the escrow shortage as a lump sum using the attached shortage coupon. If you pay your escrow shortage by **January 20, 2021**, then your new monthly payment will be **\$945.11** effective with your **February 2021** mortgage payment.

What is a shortage?

A shortage is the difference between the **anticipated** escrow balance and the **required** escrow balance at the beginning of the analysis cycle. A shortage typically results from changes in taxes and/or insurance. Please refer to the enclosed FAQ for additional information.

Anticipated escrow account balance (as of January 31, 2021):

Payment Change Breakdown

Below are the escrow items we anticipate collecting for and paying on your behalf over the next 12 months. To calculate your new monthly escrow payment of \$690.05, we added up the actual or estimated tax and insurance payments for the next 12 months beginning with the February 2021 payment and divided the total by 12. Included for the comparison are the Annual Payments we projected to pay during the **last analysis cycle**, as displayed in detail in the history portion of the escrow analysis statement.

Description	Current Annual Payment	Projected Annual Payment
Taxes	\$2,459.11	\$2,515.14
Insurance	\$5,193.65	\$5,765.39
TOTAL	\$7,664.76	\$8,280.53

Prior Year Account History and Coming Year Projections

This statement itemizes your actual escrow account transactions since your previous analysis statement or initial disclosure and projects payments, disbursements and balances for the coming year. The projections from your previous escrow analysis are included with the actual payments and disbursements for the prior year. By comparing the actual escrow payment with the previous projections listed, you can determine where a difference may have occurred. When applicable, the letter "E" beside an amount indicates that all or a portion of a payment or disbursement on that row has not yet occurred but is estimated to occur as shown. An asterisk (*) beside an amount indicates a difference from projected activity either in the amount or date.

Projections are included to ensure sufficient funds are available to pay your taxes and/or insurance for the coming year. Under Federal Law (RESPA) the lowest monthly balance in your escrow account should be no less than \$1,380.10 or 1/6th of the total annual projected disbursement from your escrow account, unless your mortgage documents or state law specifies otherwise.

Your projected anticipated lowest account balance of \$19,868.09- will be reached in March 2021. When subtracted from your minimum required balance of \$1,380.10, an Escrow Shortage results in the amount of \$997.93. These amounts are indicated with **LP**. You will receive an Annual Escrow Account Disclosure Statement reflecting the actual disbursements at the end of the next escrow analysis cycle. However, you should keep this statement for your own records for comparison. If you have any questions about this statement, please call our Customer Service Department toll free at **1-888-820-6474**.

When you provide a check as payment, you authorize us either to use the information from your check to make a one-time electronic fund transfer from your account, or to process the payment as a check transaction. When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your account as soon as the same day we receive your payment, and you will not receive your check back from your financial institution. If you do not want us to use the information from your check to make a one time electronic funds transfer or if you have any questions, please call us at the phone number shown on the front of this statement.
